STUDENT MATH CIRCLE

$$\lambda =$$
$$A = \frac{1}{2} b n$$

$$a^2 = b^2$$

$$\pi = 3.141$$

$$\angle ABC = 130^\circ$$

5:30 PM – 7:00 PM

MONDAY EVES: SEP 17, OCT 15, NOV 12

ROSS HALL, UNC CAMPUS

(ROOM NUMBER TBD)

Please join us for an evening of complimentary snacks, dinner and fun mathematical problem solving. Open to students in the 5th - 8th grade. Come explore engaging mathematical problems together!

Please RSVP by noon on Mondays to Gulden Karakok at gulden.karakok@unco.edu. Free parking after 5 p.m. in the C Lot on 11th Ave. and 22nd St. across 11th Ave from Ross Hall. Note: parking immediately south of Ross Hall will likely result in a ticket. Parents can drop off their children at the south door of Ross Hall.
